

## **YOU'RE A BIRD AND I'M A TREE**

Lyrics: Les Kotzer / Music: Lewis Manne  
Manimal Music/Lesko Music SOCAN

You've grown up so fast  
Just like a flash of light  
By the time I turn my head  
You're nearly out of sight

We don't know our destiny  
But whatever yours may be  
This is home  
You're a bird and I'm a tree

You keep on growing  
It has to be a dream  
Our lives in constant motion  
Like a never ending stream

So much you want to see  
But wherever you may be  
This is home  
You're a bird and I'm a tree

### **MIDDLE**

I'm shelter from the rain  
Until the skies begin to clear  
When you're far away  
Don't worry, I'll be waiting here

I will always love you  
And you'll never be alone  
You may fly away  
But this will always be your home

This will always be your home  
So wherever you may be  
This is home  
You're a bird and I'm a tree

You're a bird and I'm a tree

You're a bird and I'm a tree
